The hit from the heavenly aroma of pure chocolate, works instantly on the brain to release those feel good hormones, lifting the spirits at the end of even the longest and most challenging of days.

This cleanser transforms the tedious task of, removing the day's grime and make up from your skin, into a ritualistic treat, and will have you looking forward to your nightly routine.

The oil based formula literally melts away stale make up, including water-proof mascara, dirt and pollution, and leaves the skin visibly cleansed, amazingly soft and smelling divine. Cleansing has never felt or smelt so good.

Luxurious daily moisturiser

Available in 50ml tube

£44.00

+ £2.95 pp

Chocolate and orange daily moisturising cream

A velvety soft and light yet luxurious daily moisturiser, to comfort and soften the outer layers of the skin, restore and protect the epidermis and increase elasticity and softness.

Essential for winter protection against the elements, that damage and dry out even the most robust skin. Ideal as additional hydration for skin exposed to bright sun light, or those who work in air conditioned environments.

Ingredients include pure Swiss chocolate (just packed with vitamins, lipids and trace minerals), orange and avocado oils to smooth and soften the skin and improve elasticity.

Available in 50ml tube

£60.50

+ £2.95 pp

To really get those endorphins flowing and to treat the skin at a much deeper level, guaranteeing advanced anti-aging effects, we recommend you apply our patented chocolate and oxygen treatment cream. Used once at night, or twice per day, this cream is just bursting with natural goodness that all skins recognise, need and can utilise.

This intensive treatment features 1.2% oxygen; vitamins E, C, D; calcium; magnesium; potassium; sesame and avocado oils; and of course lashings of real Swiss chocolate.

Protects the skin all day

Available in 50ml tube

£36.00

+ £2.95 pp

A light, non-greasy, day cream. Designed to lock in the goodness of Vita-A-Kombi, and protect against outside aggression. Try it once and you will be convinced of its effects. This cream offers protection against constant temperature variations, wind damage, cold, dry central heating and air conditioning.

A quick-fix beauty treatment containing 2% Oxygen

Available in 50ml tube

£52.50

+ £2.95 pp

A face-lift in a tube, with a beautiful fresh aromatic fragrance of mandarin, bilberry, grapefruit and orange.

This anti-ageing mask is an essential complement to the formulae developed by Doctor Herzog. It tightens the facial contours and ideally should be used 10 minutes prior to applying your make-up, if you are going out in the evening.

Gentle and nourishing vitamins and with a 0.5% oxygen

Available in 16ml pot

£40.00

+ £2.95 pp

Hyper-enriched with gentle and nourishing vitamins and with a 0.5% oxygen concentration, this cream has been designed for application to the eye contour area where the skin is extremely delicate and subject to premature ageing.

Herzog's Eye Cream helps decongest and relax the eyelids and the skin around the eyes, so eliminating dark circles.

Face Silk

£12.50

+ £2.95 pp

This amazing soft cloth is used with warm water to remove cleanser and dirt from the skin.

As soft as silk, yet with a texture that can withstand washing in the washing machine.

This is the most hygienic, efficient and the kindest way to remove products from the face as even cotton wool scratches the surface of the skin.

Natural fruit enzymes

Available in 50ml tube

£43.00

+ £2.95 pp

This cream uses fresh and natural fruit enzymes and extracts, to remove the dull veil of dead skin, from the surface of the epidermis to reveal a soft dewy fresh complexion.

Extracts of grapes, mandarin, bilberry, grapefruit, oranges, lemons, limes combine to give a beautiful fresh natural fragrance.

PH buffered to ideally suit even the most sensitive of skins, this product is essential as the exfoliation of choice for those looking to dramatically reduce fine lines and wrinkles, and those who want to diminish hyper-pigmentation marks.

Luxurious moisturiser

Available in 50ml tube

£36.00

+ £2.95 pp

A luxury day moisturiser designed to go over the top of Vita-A-Kombi, for drier, more mature skin types, who like to feel a slight veil of moisture on the surface of the skin.

This cream restores the hydro-lipid film of the epidermis, whilst providing additional comfort, and offers limited protection against external aggressions from television and computer screens, neon lights and ultra-violet rays etc. It is a vital complement prior to going out in the morning, in cold climates or for extra dry skin.

For younger skins

Sebo regulating cream containing 2% oxygen

Available in 50ml tube

£36.00

+ £2.95 pp

This natural emulsion helps normalise the secretion of the sebum and maintains a balance of the hydro-lipid film. It tones, cleanses and gives fresh, radiant skin in an instant.

This cream is very well suited to younger users: its non-oily texture means that there is no oily residue left on the surface of the skin. Its exceptional power resides in the fact that it re-regulates skin which deviates from the norm during adolescence.
