

## Uber Beauty Treatment Facials

- **Crystal Clear Microdermabrasion**

This treatment is the most talked about facial and is known as the 'facial for the stars'. It offers a controlled method of skin resurfacing by gently exfoliating the outer layers of skin. It is an excellent progressive treatment for ageing skin, fine lines, wrinkles, open pores, blackheads, blemishes, acne scarring, stretch marks and much, much more. Regular treatments stimulate collagen and elastin formation, resulting in a firmer and more rejuvenated skin. The gentle vacuum action achieves an immediate lifting effect on tired muscles, just like a 'workout' for the face. Expect a wrinkle depth reduction of 40% with this facial. Guaranteed the best, as treatments are undertaken by the former National Training Co-ordinator of Crystal Clear!

A course of 10 treatments, taken weekly is recommended:

Deluxe 'MDA' - incl mini mask and eye treatment: (1 hour 15 mins) £50.00

Microdermabrasion (MDA) with anti-ageing mini mask lifting: (1 hour) £40.00

MDA with calming mask: (40 mins) £32.00

- **Crystal Clear Oxygen Therapy**

Best known as the Celebrities Favourite Treatment. Crystal Clear Oxygen Therapy is the perfect rejuvenation treatment for ageing and tired skin. Over time, oxygen levels in the skin cells decrease, resulting in a loss of elasticity and the formation of lines and wrinkles. Crystal Clear Oxygen Therapy replenishes lost oxygen, with the active ingredients of the serum restructuring the skin, thus visibly plumping out our lines and wrinkles. The results are immediate however; Oxygen Therapy continues to work long after the treatment has ended, by stimulating cell regeneration. This treatment is also an excellent choice for acne conditions due to the anti-bacterial effect of the oxygen diffusion and the serum used. Guaranteed the best, as treatments are undertaken by the former National Training Coordinator of Crystal Clear!
