

Uber Beauty... Microdermabrasion

- Crystal Clear Microdermabrasion (MDA)

'Love the Skin' you're in!

This treatment is the most talked about facial, and Uber Beauty's most popular treatment for both men and women alike, as it is results driven and the effects are immediate. Crystal Clear Microdermabrasion is known in the beauty industry as the 'facial for the stars', with a Celebrity following such as Madonna, Victoria Beckham, Gwyneth Paltrow, and Jude Law, as well as our very own Celebrity followers at Uber Beauty!

By using the best Microdermabrasion system on the market, (Uber Beauty's Molly Hanson-Steel is the former national training co-coordinator for Crystal Clear), offering a deep, controlled and results driven method of skin resurfacing by gently exfoliating the outer layers of skin. It is an excellent progressive treatment for ageing skin, fine lines, wrinkles, open pores, blackheads, blemishes, acne scarring, stretch marks and much, much more.

Regular treatments stimulate collagen and elastin formation, resulting in a firmer and more rejuvenated skin. The gentle vacuum action achieves an immediate lifting effect on tired muscles, just like a 'workout' for the skin.

For maximum and immediate results, we recommend a course of 1 treatment per week consisting of 5-10 treatments to kick start your way to achieving beautiful skin. Expect a wrinkle depth reduction of 40% and gorgeous softer, glowing skin with this facial. This treatment is our most sought after for both women and men alike.

If you opt for one of our deeper more intensive treatments on offer, Uber combine a treatment algae mask, rich in nutrients to help collagen and elastin regrowth which also cools, hydrates, firms and brightens tired skin! And also as an addition our collagen eye treatment mask, to help with dark shadows, crepyness, fine lines and tired looking skin.
